

The Fayette Area Chamber of Commerce

A 42 member volunteer organization whose mission is to enhance the quality of our community where we live, work, learn and play.

"The longevity and viability of our community are in large measure tied to the resilience and dedication of our citizens and to the relationships that exist among our schools, churches, and businesses. The vitality of our businesses is essential in creating a positive community climate, attracting and keeping community members and enhancing the financial stability of the entire community. The Fayette Area Chamber of Commerce plays a pivotal role in our collective efforts to sustain and improve our community."
